“ We place their interests and ingenuity at the Centre of their development. We remove barriers and unlock their potentials to co-create change that they own and lead.”

LIGHT FOR DISABILITY TRANSFORMATION —LIDIT

A COMMUNITY BASE D ORGANIZATION - CBO

Bringing Potentialities to Realization

ORGANIZATION PROFILE

WHO ARE WE ?

Light for Disability Transformation - LIDIT is a Community Based Organization registered with Koboko District Local Government and Uganda Registrar Service Bureau - URSB (Reg. No: **80020003204034**). LIDIT focuses its activities to promote an inclusive Social - economic and cultural system that gives equal opportunity to individual members of the community to participate in their Development. LIDIT positions itself as a voice and strength to persons with all forms of impairment, and offers tailored programs suitable to unlock skills and potentials of persons with impairment and wider community to achieve sustainable livelihoods, self-reliance, equitable and transformed communities.

WHAT DO WE DO?

Our strategic objectives are aligned to making contributions in creating a community which every woman/girl, persons with impairment, refugees & underprivileged members of the community enjoys gender equality, inclusion and ensure that all legal, social and economic barriers to their empowerment are removed. LIDIT is striving to build communities with equitable access to education, to health care and social protection, where physical, mental and social well-being, human rights, enhanced access to renewable and sustainable energy & livelihoods, safe and drinking water are assured both at Refugees/Internally Displaced & Host Communities.

Our Vision

A community where people with disabilities, and the underprivileged members of the community are given equal opportunity, treated with dignity and recognized as important contributors to socio- economic development of their communities.

Vision Statement: Enabled people and Communities for Sustainable Development.

Our Mission Statement

To build self-efficient communities through involvement and continuous reconstruction of human experiences, aspirations and mobilization of the desired resources to achieve inclusive & a sustainable development.

Our Motto

Bringing Potentialities to Realization.
